

SEIL Energy India Limited

Press Release

SEIL ENERGY BAGS BBS PLATINUM BENCHMARKING AWARD

Nellore, February 16, 2024: SEIL Energy India Limited (SEIL), the leading independent power producer (IPP), has once again been recognised for its commitment to safety, bagging the prestigious “Platinum Benchmarking Award” from the Forum of Behavioural Safety for excellence in ‘Occupational safety and Health’ under the ‘Corporates’ segment. This marks the fifth consecutive year SEIL has received this honour, showcasing its dedication to fostering a “Zero-harm interdependent safety culture” through the implementation of Behaviour Based Safety (BBS) programme. The award was presented at the 8th National Conference held at IIM – Mumbai, where SEIL’s HSE team was lauded for their unwavering efforts in creating a safe work environment for all.

Mr. Raghav Trivedi, CEO – SEIL Energy India Limited congratulated the HSE team for winning the award and said, *“Safety at the core, we are committed to providing a safe and healthy workplace for our employees and stakeholders, and this award is a true testament to the continuous improvement achieved by our team. Their commitment to adopting and upholding our safety culture is commendable. We are immensely proud of their achievements”.*

SEIL has been implementing BBS programme since 2018 and continuously improving the score year after year thereby setting new benchmarks in safety.

About SEIL:

SEIL Energy India Limited – SEIL – (Formerly Sembcorp Energy India Limited) is a leading Independent Power Producer (IPP) committed to contributing towards India’s energy security. The company has a successful track record of developing and operating thermal power generation assets in the country. It has a 2.64GW supercritical thermal power generation complex located in SPSR Nellore District, Andhra Pradesh, India.

Led by its strong leadership team, SEIL is a committed and long-term partner in the region’s progress. It provides reliable and sustainable power to consumers across the sub-continent. SEIL partners with the government and industry towards supporting India’s energy security and developmental goals. With 4X660MW operational units, SEIL is well-positioned to offer best-in-class energy solutions to meet the region’s energy needs.
