6. Our responsibility is only to examine and report whether the proposed accounting treatment in the books of the Transferee Company specified in Part III, Paragraph 6 of the Draft Scheme complies with the applicable Indian Accounting Standards and Other Generally Accepted Accounting Principles and did not include the evaluation of the adherence by the Transferee Company with all the applicable regulations.

10. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

11. As per the applicable accounting standard Indian Accounting Standard 103, Business Combinations, (Ind AS 103), since the merger is of subsidiary company with the holding company, there is no transfer of control in this transaction and therefore, the financial information should be restated at carrying amounts not from the appointed date but from the beginning of the preceding period in the immediate financial statements unless the entity was acquired on a subsequent date and control was established only on such subsequent date in which case the financial information should be restated from that date. However, as per Section 232(6) of the Companies Act, 2013 and for the purpose of income tax assessment, the Scheme has to provide for the appointed date from which the Scheme shall be deemed to be effective. The Company has accordingly proposed the appointed date as 1 April 2017 for merger of SGPL.
12. In our view read with the above, the accounting treatment proposed in Part III, Paragraph 6 of the Draft Scheme and as reproduced in Appendix A of this Certificate, once approved by the relevant authority will be in conformity with Ind AS 103 i.e. the Accounting Standards prescribed under section 133 of the Act.
13. A copy of the Draft Scheme duly authenticated by the Transferee Company and a certified copy of the resolution of the Board of Directors of the Transferee Company approving the Draft Scheme is attached as Appendix B and C respectively, of this Certificate.

PART I

OBJECTIVE AND OVERVIEW

1 Overview and objects of this Scheme

- 1.1 This Scheme seeks to amalgamate and consolidate the business of Sembcorp Gayatri Power Limited (“**Transferor Company**”) with Sembcorp Energy India Limited (“**Transferee Company**”), pursuant to an amalgamation of the Transferor Company with the Transferee Company, the Transferor Company being the wholly owned subsidiary of the Transferee Company. The Transferor Company and the Transferee Company (together referred to as the “**Merging Companies**”), despite being located in the same geography, do not share resources and have their separate financial, managerial and technical resources and personnel. Therefore, the board of directors of each of the Merging Companies have resolved that the amalgamation of the Transferor Company with the Transferee Company would be in the best interests of the shareholders, creditors, employees and other stakeholders of the Merging Companies, as it will result in increased operational efficiencies, bring about economies of scale and result in the synergetic integration of businesses presently being carried on by the Merging Companies.
- 1.2 This Scheme will result in the consolidation of the business of the Transferor Company and the Transferee Company in one entity and would strengthen the position of the resultant entity i.e., the Transferee Company, by enabling it to harness and optimise the synergies of the Transferor Company. Accordingly, it would be in the best interests of the Merging Companies and their respective shareholders. The resultant entity i.e., the Transferee Company is likely to achieve higher long-term financial returns than could be achieved by the Transferor Company and the Transferee Company individually.
- 1.3 The Transferor Company and the Transferee Company believe that the financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of each of the Transferor Company and the Transferee Company pooled in the merged entity, will lead to increased competitive strength, cost reduction and efficiencies, productivity gains and logistic advantages, thereby significantly contributing to future growth.
- 1.4 This Scheme is presented under Section 233 of Chapter XV of the Companies Act, 2013 for merger of the Transferor Company with the Transferee Company. The Scheme is divided into the following parts:
- Part I: Deals with the objective of the Scheme and the overview of the Merging Companies;
- Part II: Deals with the share capital of the Merging Companies;
- Part III: Deals with the amalgamation of the Transferor Company with the Transferee Company in accordance with Chapter XV of the Companies Act, 2013; and

- 1.2 Without prejudice to the generality of the above and to the extent applicable, unless otherwise stated herein, upon this Scheme becoming effective and with effect from the Appointed Date:
- (a) All assets of the Transferor Company that are movable in nature or incorporeal property or are otherwise capable of transfer by physical or constructive delivery and/or by endorsement and delivery or by vesting and recordal of whatsoever nature, including plant, machinery and equipment shall stand transferred and/or be deemed to be transferred to and vested in the Transferee Company and shall become the property and an integral part of the Transferee Company. The vesting pursuant to this sub-clause shall be deemed to have occurred by physical or constructive delivery or by endorsement and delivery or by vesting and recordal, pursuant to this Scheme, as appropriate to the property being vested and title to the property shall be deemed to have been transferred accordingly.
 - (b) All other movable properties of the Transferor Company, including investments in shares and any other securities, sundry debtors, outstanding loans and advances, if any, recoverable in cash or in kind or for value to be received, bank balances and deposits, if any, with government, semi-government, local and other authorities and bodies, customers and other persons, shall without any further act, instrument or deed, become the property of the Transferee Company, and the same shall also be deemed to have been transferred by way of delivery of possession of the respective documents in this regard. The transfer/vesting of the assets of the Transferor Company as aforesaid shall be subject to the existing charges/hypothecation/mortgages over or in respect of the assets or any part thereof of the Transferor Company in relation to Project 2. - 1.1 Upon the sanction of this Scheme and upon this Scheme becoming effective, the following shall be deemed to have occurred on the Appointed Date and become effective and operative only in the sequence and in the order mentioned hereunder:
- (i) amalgamation of Transferor Company into the Transferee Company in accordance with Part III of this Scheme;
 - (ii) transfer of the authorised share capital of the Transferor Company to the Transferee Company as provided in Part III of this Scheme, and consequential increase in the authorised share capital of the Transferee Company as provided in Part III of this Scheme; and
 - (iii) cancellation of the equity shares of the Transferor Company held by the Transferee Company, without any further act, instrument or deed, in accordance with Part III of this Scheme.

2 Compliance with Laws

- 2.1 This Scheme is presented and drawn up to comply with the provisions/requirements of Chapter XV of the Act, for the purpose of amalgamation of the Merging Companies and other related arrangements and compromise, if any, including reorganisation of shareholding etc., amongst the Merging Companies and/or their respective shareholders.
- 2.2 This Scheme has been drawn up to comply with the conditions relating to "amalgamation" as specified under Section 2(1B) and other relevant sections of the Income Tax Act, 1961, such that:
- (i) all the properties of the Transferor Company (amalgamating company), immediately before the amalgamation, become the properties of the Transferee Company (amalgamated company) by virtue of the amalgamation;
 - (ii) all the liabilities of the Transferor Company (amalgamating company), immediately before the amalgamation, become the liabilities of the Transferee Company (amalgamated company) by virtue of the amalgamation; and
 - (iii) the shareholders holding not less than three-fourths in value of the shares in the Transferor Company (amalgamating company) or companies (other than shares already held therein immediately before the amalgamation by, or by a nominee for, the Transferee Company (amalgamated company) or its subsidiary) become shareholders of the Transferee Company (amalgamated company) by virtue of the amalgamation;

otherwise than as a result of the acquisition of the property of one company by another company pursuant to the purchase of such property by the other company or as a result of the distribution of such property to the other company after the winding up of the first-mentioned company.

- 2.3 If any terms or provisions of the Scheme are found to be or interpreted to be inconsistent with any of the said provisions of the Income-tax Act, 1961, at a later date, whether as a result of any amendment of law or any judicial or executive interpretation or for any other reason whatsoever, the aforesaid provisions of the Income Tax Act, 1961 shall prevail. The Scheme shall then stand modified to the extent deemed necessary to comply with the said provisions. Such modification will however not affect other parts of the Scheme. The power to make such amendments as may become necessary shall vest with the Board of Directors of the Merging Companies, which power shall be exercised reasonably in the best interests of the companies concerned and their stakeholders.

3 Consequential matters relating to Tax

- 3.1 Upon the Scheme becoming effective, the Transferee Company is expressly permitted to revise its financial statements and tax returns along with prescribed forms, filings and annexures under the Income Tax Act, 1961 (including for Minimum Alternate Tax purposes and tax benefits/incentives), Service Tax law, Goods and Services Tax law, and other tax laws, and to claim refunds and/or credits for taxes paid (including Minimum Alternate Tax), and to claim tax benefits under the Income Tax Act, 1961 etc. and for matters incidental thereto, if required to give effect to the provisions of this Scheme..
- 3.2 Upon the Scheme coming into effect, all taxes (including but not limited to advance tax, self-assessment tax, tax deducted at source, Minimum Alternate Tax credits, fringe benefit tax, securities transaction tax, taxes withheld/paid in a foreign country, Value Added Tax, Sales Tax, Service Tax, Goods and Services Tax, duties of excise, customs duty, etc.), whether or not recorded in the books of accounts, and payable by or refundable to the Transferor Company, including all or any refunds or claims, shall be treated as the tax assets, tax liability or refunds/claims, as the case may be, of the Transferee Company.
- 3.3 Upon the Scheme coming into effect, any tax incentives (including but not limited to incentives/benefits under Sections 80-IA, 80-IB, 80-IC, etc. of the Income Tax Act, 1961), exemptions and incentives under Service tax, Goods and Services Tax, Value Added Tax, etc., advantages, privileges, exemptions, credits (CENVAT, Service tax, Goods and Services Tax, Value Added Tax, Foreign Trade Policy, Mega Power Policy etc.), tax holidays, remissions, reductions, unabsorbed tax depreciation and brought forward tax losses, etc., as would have been available to the Transferor Company or which the Transferor Company is eligible/entitled to claim, as on the Appointed Date, shall be available to and vest in the Transferee Company.

- 3.4 All tax assessment proceedings/appeals of whatsoever nature by or against the Transferor Company pending and/or arising at the Appointed Date and relating to the Transferor Company shall be continued and/or enforced until the Effective Date by the Transferor Company. In the event of the Transferor Company failing to continue or enforce any proceeding/appeal, the same may be continued or enforced by the Transferee Company, at the cost of the Transferee Company. As and from the Effective Date, the tax proceedings shall be continued and enforced by or against the Transferee Company in the same manner and to the same extent as would or might have been continued and enforced by or against the Transferor Company.

Further, the aforementioned proceedings shall not abate or be discontinued nor be in any way prejudicially affected by reason of the amalgamation of the Transferor Company with the Transferee Company or anything contained in the Scheme.

- 3.5 The obligation for deduction of tax at source ("TDS") and/or tax collection at source ("TCS") on any payment made by or to be made by the Transferor Company shall be made or deemed to have been made and duly complied with by the Transferee Company. Further, any TDS and/or TCS by the Transferor Company/Transferee Company on transactions with the Transferee Company/Transferor Company, if any (from the Appointed Date to the Effective Date) shall be treated as advance tax paid by the Transferee Company and/or TDS/TCS credit of the Transferee Company and shall, in all proceedings, be dealt with accordingly. Further, TDS/TCS deposited, TDS/TCS certificates issued to the Transferor Company and TDS/TCS returns filed by the Transferor Company during the period from the Appointed Date until the Effective Date shall be treated as if such TDS/TCS amounts were deposited, TDS/TCS certificates were issued to the Transferee Company and TDS/TCS returns were filed by Transferee Company.
- 3.6 Without prejudice to the aforementioned, with effect from the Appointed Date, all inter-party transactions between the Transferor Company and the Transferee Company shall be considered as intra-party transactions for all purposes (including for tax compliances, credits/refunds as the case may be).
- 3.7 Upon the coming into effect of this Scheme, all tax compliances under any tax laws by the Transferor Company on or after the Appointed Date shall be deemed to be made by the Transferee Company.

4 Saving of concluded transactions

The transfer of properties, assets and liabilities and the continuance of proceedings by or against the Transferor Company under Part III of the Scheme above shall not affect any transaction or proceedings already concluded by the Transferor Company on and after the Appointed Date, to the end and intent that the Transferee Company accepts and adopts all acts, deeds and things done and executed by the Transferor Company in respect thereto as done and executed on behalf of the Transferee Company.

5 Dividends

- 5.1 The Transferor Company and the Transferee Company shall be entitled to declare and pay dividends, whether interim and/or final, to their respective shareholders after the Appointed Date.
- 5.2 It is clarified that the aforesaid provisions in respect of declaration of dividends are enabling provisions only and shall not be deemed to confer any right on any shareholder of the Transferor Company and the Transferee Company to demand or claim any dividends which, subject to the provisions of the Act, shall be entirely at the discretion of the respective Boards of Directors of the Transferor Company and the Transferee Company, and if applicable in accordance with the provisions of the Act, be subject to the approval of the shareholders of each of the Transferor Company and the Transferee Company.

6 Interpretation

- 6.1 Though this Scheme shall become effective from the Effective Date, the provisions of this Scheme shall be applicable and come into operation from the Appointed Date and not any other date subsequent to the Appointed Date.
- 6.2 If any terms or provisions of this Scheme are found to be or interpreted to be inconsistent with any provisions of applicable law at a later date, whether as a result of any amendment of law or any judicial or executive interpretation or for any other reason whatsoever, the provisions of the applicable law shall prevail. Subject to obtaining the sanction of the Competent Authority, if necessary, this Scheme shall then stand modified to the extent determined necessary to comply with the said provisions. Such modification will, however, not affect other parts of this Scheme. Notwithstanding the other provisions of this Scheme, the power to make such amendments/modifications as may become necessary, whether before or after the Effective Date, shall, subject to obtaining the sanction of the Competent Authority, if necessary, vest with the Board of Directors of the Merging Companies, which power shall be exercised reasonably in the best interests of the Merging Companies and their respective shareholders.

7 Application to the Competent Authority

- 7.1 The Merging Companies may, with all reasonable dispatch, make respective applications and filings to the Competent Authority, under Chapter XV and other applicable provisions of the Act, for sanctioning this Scheme with such modifications, as may be approved by the Competent Authority.
- 7.2 Upon this Scheme being approved by the requisite majority of the shareholders and creditors of the Merging Companies (wherever required), the Merging Companies shall, with all reasonable dispatch, make such filings before the Competent Authority for sanction of this Scheme under Chapter XV and other applicable provisions of the Act, and for such other order or orders, as the Competent Authority may deem fit for putting this Scheme into effect. Upon this Scheme becoming effective, the shareholders of the Merging Companies shall be deemed to have also accorded their approval under all relevant provisions of the Act for giving effect to the provisions contained in this Scheme.

8 Modification or amendments to the Scheme

- 8.1 The Merging Companies, acting through their respective Boards of Directors, may assent to/make and/or consent to any modifications/amendments to the Scheme or to any conditions or limitations that the Competent Authority under law may deem fit

to direct or impose, or which may otherwise be considered necessary, desirable or appropriate as a result of subsequent events or otherwise by them (i.e., the Board of Directors). The Merging Companies, acting through their respective Boards of Directors, be and are hereby authorised to take such steps as may be necessary, desirable or proper to resolve any doubts, difficulties or questions whatsoever for carrying the Scheme into effect, whether by reason of any orders of the Competent Authority or of any directive or orders of any other authorities or otherwise howsoever arising out of, under or by virtue of this Scheme and/or any matters concerning or connected therewith. After the Scheme is approved by the Competent Authority, any modification or change to the Scheme shall require the approval of the Competent Authority or the Regional Director, as the case may be.

- 8.2 The Merging Companies, acting through their respective Boards of Directors, shall be at liberty to withdraw from this Scheme in case any condition or alteration imposed by the Competent Authority or any other authority is not on terms acceptable to them. Each of the Merging Companies shall be free to withdraw from the Scheme or any part of the Scheme, if any part of this Scheme is found to be unworkable or unfeasible for any reason whatsoever. This shall not, subject to the decision of the Merging Companies, affect the validity or implementation of the other parts and/or provisions of this Scheme. In the event a part of this Scheme is found unworkable or unfeasible and the Merging Companies decide to implement the remaining parts of this Scheme, the part of the Scheme which is unworkable or unfeasible or such other parts of the Scheme to the part extent are unworkable or unfeasible, shall become null and void and no rights or liabilities whatsoever shall accrue to, or be incurred inter se by, the parties or their respective stakeholders or any other persons with respect to such part of the Scheme.
- 8.3 In the event of any inconsistency between any of the terms and conditions of any earlier arrangement between the Transferor Company and the Transferee Company and their respective shareholders and/or creditors, and the terms and conditions of this Scheme, the latter shall prevail.
- 8.4 If any part of this Scheme is invalid, ruled illegal or rejected by any court of competent jurisdiction, or unenforceable under present or future laws, then it is the intention of the parties that such part shall be severable from the remainder of this Scheme and this Scheme shall not be affected thereby, unless the deletion of such part shall cause this Scheme to become materially adverse to any party, in which case the Merging Companies, acting through their respective Boards of Directors, shall attempt to bring about a modification in this Scheme, as will best preserve for the parties, the benefits and obligations of this Scheme, including but not limited to such part, which is invalid, ruled illegal or rejected by any court of competent jurisdiction, or unenforceable under present or future laws.
- 8.5 The Transferor Company and the Transferee Company shall make necessary applications and filings before the Competent Authority for sanction of this Scheme and any dispute arising out of this Scheme shall be subject to the jurisdiction of the Competent Authority.
