Media Release

SEIL ENERGY WINS UBS FORUMS' BEST CSR IMPACT AWARD

Nellore, December 26, 2023: SEIL Energy India Limited (SEIL), the leading independent power producer (IPP), said that it has won the best CSR Impact Award at the 9th Edition of Corporate Social Responsibility Summit and Awards ceremony organised by UBS Forums in Bengaluru. The award was presented to SEIL for its exemplary contributions in decarbonisation. To support the community around its area of operations, SEIL is implementing notable environment friendly initiatives including installation of solar rooftops, solar streetlights, solar water heaters while conducting plantation drives and supporting research on carbon capture.

Mr. Raghav Trivedi, CEO – SEIL Energy India Limited congratulated the CSR team for winning the award and appreciated them for their commitment and dedication in serving the community. *“SEIL is committed to empowering the local communities in an all-encompassing manner”*, he said.

As a responsible organisation, SEIL implements various development initiatives to support the local communities for their upliftment in the focus areas of education, health, decarbonisation, and skill & entrepreneurship development. SEIL supported the Anganwadis with installation of solar rooftop systems. It has set up solar streetlights in Nelaturupalem and helped Vikrama Simhapuri University to improve its green cover with extensive plantation drives. SEIL in the last one-year planted more than 24,000 saplings on 60 acres of barren lands at various government institutions including the police parade grounds, DKW College among others in SPSR Nellore and Tirupati districts.

About SEIL:

SEIL Energy India Limited – SEIL – (Formerly Sembcorp Energy India Limited) is a leading Independent Power Producer (IPP) committed to contributing towards India's energy security. The company has a successful track record of developing and operating thermal power generation assets in the country. It has a 2.64GW supercritical thermal power generation complex located in SPSR Nellore district, Andhra Pradesh, India.

Led by its strong leadership team, SEIL is a committed and long-term partner in the region's progress. It provides reliable and sustainable power to consumers across the sub-continent.

India is one of SEIL's key markets and an integral part of the company's market strategy. SEIL partners with the government and industry towards supporting India's energy security and developmental goals. With 4X660MW operational units, SEIL is well-positioned to offer best-in-class flexible energy solutions to meet the region's energy needs.
