

SEIL Energy India Limited

Press Release

SEIL ENERGY BAGS CII NATIONAL AWARD FOR EXCELLENCE IN ENERGY MANAGEMENT

Nellore, September 13, 2024: SEIL Energy India Limited (SEIL), one of the largest Independent Power Producers (IPP) in India, today announced that it has won the prestigious 'National Award for Excellence in Energy Management 2024' from the Confederation of Indian Industry (CII). SEIL's Project -1 has been honoured with this award in the 'Excellent Energy Efficient Unit' category. Winning this award demonstrates SEIL's leadership in the energy sector and its dedication to excellence in energy management.

The Company representatives Mr. JVLH Nageshwar Rao, Head – Operations Support and Performance Monitoring, Mr. Sri Ramachandra Murthy Bhuvanagiri, DGM – Engineering, Mr. Narayana Boddu, AGM – Asset Performance, received the award during the CII's 25th National Award for Excellence in Energy Management 2024 ceremony held in Hyderabad.

Mr. Raghav Trivedi, CEO – SEIL Energy India Limited, appreciated the team for their outstanding efforts and said, *"We are delighted to receive this prestigious national award, which validates our relentless pursuit of energy efficiency and sustainability. Our team's hard work and dedication in mitigating the carbon footprint have paid off, and we are proud to be a leader in the energy sector. This award motivates us to continue innovating and striving for excellence in energy management, and we are committed to making a positive impact on the environment"*.

About SEIL:

SEIL Energy India Limited – SEIL – (Formerly Sembcorp Energy India Limited) is a leading Independent Power Producer (IPP) committed to contributing towards India's energy security. The company has a successful track record of developing and operating thermal power generation assets in the country. It has a 2.64GW supercritical thermal power generation complex located in SPSR Nellore District, Andhra Pradesh, India.

Led by its strong leadership team, SEIL is a committed and long-term partner in the region's progress. It provides reliable and sustainable power to consumers across the sub-continent. SEIL partners with the government and industry towards supporting India's energy security and developmental goals. With 4X660MW operational units, SEIL is well-positioned to offer best-in-class energy solutions to meet the region's energy needs.
