

Press Release

SEIL ENERGY IS NOW GREAT PLACE TO WORK CERTIFIED

Nellore, 5th December 2024: SEIL Energy India Limited, One of the largest independent power producers (IPP), has been Great Place To Work® Certified™ in India. This prestigious recognition is a testament to SEIL Energy's commitment to creating a positive and supportive work environment, where employees can thrive and grow.

Great Place To Work is the global authority on workplace culture. Since 1992, they have surveyed more than 100 million employees worldwide and used those deep insights to define what makes a great workplace: trust. Their employee survey platform empowers leaders with the feedback, real-time reporting, and insights they need to make strategic people decisions.

Mr. Raghav Trivedi, CEO – SEIL Energy India Limited, said, *"We are delighted to be recognized as a Great Place To Work. This achievement is a direct result of our team's dedication, hard work, and passion for creating a workplace culture that is built on trust, respect, and collaboration. We believe that our employees are our greatest asset, and we will continue to invest in their growth and well-being."*

The Great Place To Work certification is based on a rigorous assessment of SEIL Energy's workplace culture, including employee feedback, surveys, and cultural audits. Their recognition is the most coveted and respected in the world for elevating employer brands to attract the right people.

About SEIL:

SEIL Energy India Limited – SEIL – (Formerly Sembcorp Energy India Limited) is a leading Independent Power Producer (IPP) committed to contributing towards India's energy security. The company has a successful track record of developing and operating thermal power generation assets in the country. It has a 2.64GW supercritical thermal power generation complex located in SPSR Nellore District, Andhra Pradesh, India.

Led by its strong leadership team, SEIL is a committed and long-term partner in the region's progress. It provides reliable and sustainable power to consumers across the sub-continent. SEIL partners with the government and industry towards supporting India's energy security and developmental goals. With 4X660MW operational units, SEIL is well-positioned to offer best-in-class energy solutions to meet the region's energy needs.
